Become a BIG collector of the Tiny World of Polly Pocket®

Welcome to the wonderful miniature world of Pollyville™, a whole town full of fun and exciting places for Polly Pocket and all her friends. The only key you need to enter is your imagination!

Let's begin our special tour through Pollyville™ as we meet all Polly's good friends and neighbors and discover all the great surprises in her wonderful town!

11190 LIGHT-UP WEDDING CHAPEL
Here we are at the Chapel for a Pollyville™ wedding. The lights shine through the window during the special moments while Polly is the bridesmaid for Peter™ and Nancy™. Midge® lights the candles for the ceremony. After the wedding, let's visit Mayor Polly in her beautiful home.

11192 LIGHT-UP BAY WINDOW HOUSE
Mayor Polly turns the lights on in her house for friends Shawna™, Becky™ and Torry™. They watch the vanity light-up too as they all get ready to go out for pizza!

11191 LIGHT-UP PIZZERIA
Pizza is the official fun food of Pollyville™. The outdoor sign and jukebox light-up for Polly, Kelly™, Torry™ and Belinda® the chef as they all take a spin on the dance floor before stopping off at the school!

11189 LIGHT-UP SCHOOLHOUSE
Polly wants to show her friends how super the Schoolhouse really is. The clock really lights up when it's time for school. Polly says hi to Ms. Lila™ and shows Mitti™ and Dixie™ how the vending machine can light-up too! Now it's time for a fun trip to the Toy Shop.

You'll have hours of fun discovering all the special moving features in each Pollyville™ place!

Mayor Polly invites her friend Mini™ to play with the moving rocking horse and rotating airplane! They look at all the great toys and then decide to visit the Pet Store.

11198 PET STORE
This Pollyville™ favorite is filled with lovable and playful pets. Polly and Dana™ play with the cute puppy and kitty and see the rabbit hutch open! Maybe now is the time for a cool drink at the Beach Cafe!

11199 BEACH CAFE
A most popular spot for summertime fun in Pollyville™. Polly and Lulu™ slide the freezer open for treats and decide it's time to go off to Polly's Cozy Cottage after their fun day of shopping and snacking.

11200 COZY COTTAGE
Polly and Midge® swing the front gate open on their way to a fun slumber party! Everyone has fun telling scary stories before falling asleep!

11201 SUMMER HOUSE
Pollyville™ in summer is a great place to be! Polly and Alexia™ open up the refrigerator door for frosty drinks to cool off from the summer sun. They make plans for their winter ski trip at Polly's beautiful Ski Lodge, a great place for winter fun.

11202 SKI LODGE
During the winter, Polly, Lulu™ and their puppy Nellie® open up the bed and snuggle under the blanket during cold winter nights in Pollyville™. It's a wonderful place to be!
