Polly's Strawberry Milk Shake

Polly loves milk shakes – especially strawberry! Why don't you follow this recipe to make two delicious strawberry milk shakes – one for yourself and the other for a friend.

What you have to do: ➡

1. Pour the milk and yogurt into the mixing bowl.

You will need:
300ml of cold milk
150ml of strawberry yogurt
2 spoonfuls of strawberry ice-cream
a mixing bowl and a whisk
two glasses and two straws

2. Add the ice-cream.

3. Whisk it all together.

4. Pour the milk shake into two glasses. Drink it with a straw. Mmmmm!

Here you all are! Whatever's the matter? Why are you all looking so gloomy?

It's terrible, Polly! Just terrible...

...it's the Fairy Swing! It's broken!

It just fell apart when I sat on it! I didn't mean to break it! Honest!

I know, Tina! The swing was very old... we should have replaced it ages ago!

I don't understand! There's no reason why we shouldn't have been granted our wish...

What? I don't believe it...

We got our wish, after all! A magical flower swing!

We'll just have to do it now, but it's going to take quite a long time...

Aww! What are we going to swing on in the meantime?!

Hmm, I hadn't thought about that!

Hang on! I know what to do! Come on, follow me...

It looks brilliant! I can't wait for my turn... It swings like a dream...

Ha, ha! This is great!

...like a dream...

Lulu, wake up! You're daydreaming!

And so, a short while later...

The wishing well can help us get the Fairy Swing back together! All you have to do is close your eyes... and make a wish!

Wishing well, wishing well, Grant us our wish! Make the Fairy Swing Go swish, swish swish!

But...

The Fairy Swing is still broken! Our wish didn't work...

Hmm, that's odd! The Wishing Well has never let us down before...

We're off to shoot a few hoops! Are you coming, Lulu?

No, I think I'll stay here on the swing! You never know, something magical might happen!

Hee, hee!
