ALL THE FUN OF THE FAIR

Fun loving Polly Pocket and her friends are very excited the Wonderland Fun Fair is coming to town.

Magical Carousel

Rocket Ride

Having bought their tickets, Polly first decides to visit the **Magical Carousel**. She has terrific fun spinning around on the carousel horses before climbing upstairs to the roof-top cafe for a snack. Polly's friend Jenny is having a thrilling time, whirling around in the butterfly seats, on the **Butterfly Twirl Ride**.

Caterpillar Ride

Polly and Lauren love the wriggly **Caterpillar Ride**, which twists and twirls around!

Next, Polly climbs into the rocket seat on the fantastic **Rocket Ride**. She flies round and round and up and down.

At the **Catch-a-Duck** game, Polly's friend Rebecca is delighted when she catches a duck with the special rod.

Soon Polly feels dizzy and has a rest on the park bench. She eats a refreshing ice-cream, watches the boats on the pond and feeds the ducks.

Polly's Top Tips
It's easy to get lost in a big place like a fun fair, always make sure that the adults know where you are or where you are going!

At the Wonderland **Ferris Wheel and Tower Slide**, Polly rides on the **Ferris Wheel**, while her friend Rosie twirls in the **Top Cup Twister**. After saying hello to Emma, the seal at the pool, they fall about laughing at themselves in the **Hall of Mirrors**. Polly has a go on the **Log Flumeslide**, where she gets very wet!

Soon it's time for the friends to go home with their souvenirs and their photographs. They've all had a wonderful day!

Polly's Flower Fairyland

Fairy Butterfly

Fairy Polly is very excited about the Flutter Bug Ball which is taking place in the magical Petal Village. All the Fairies from near and far will be invited. It is being held in honour of Fairy Butterfly, who has been a great friend to the Fairies.

They clean the Flower Whirl roundabout, dusting the pretty petals and polishing the pole until it sparkles.

Flower Whirl

The week before the Ball everyone is very excited and getting everything ready for the big party.

Rose Cottage

The Fairies are very busy tidying up Rose Cottage, cleaning the flowers and making everything look pretty. Polly and her friend the Bumble Bee have been arranging the flowers and looking forward to the big day

All plants need water, but some need more than others. Always check with the owners before watering them. Water is precious, do not waste it.

Daisy Dressmaker

Fairy Polly visits the Daisy Dressmaker, where she has a beautiful new dress made from flower petals.

Fairy Polly gathers together lots of petals to make into Blossom Brooches to give to all the Fairies as going home gifts at the end of the evening.

Polly's Top Tip

Don't throw litter anywhere other than a suitable waste bin. The Fairy Dressmaker always puts her needles and scissors away in her Fairy work box so nobody gets hurt!

On the night of the Flutter Bug Ball all the Fairies are in their lovely flower dresses. Once Fairy Butterfly arrives at the Petal Village, they sing and dance and play party games. Everyone has a magical time.

Happy Holidays

Polly wants to travel the world and have exciting holidays and adventures. But where should she start?

For a relaxing holiday, Polly could rent a beautiful **Summer Villa** for a wonderful break. She could sunbathe on the patio, soak in the hot tub or sleep all day if she wants to.

Or Polly could go for a tour around Italy. She can stay in an ancient **Italian Villa**, sightsee until her feet ache, eat lots of super ice cream and take a gondola ride down the Grand Canal.

Up, Up and Away

Polly's Top Tips
 Never dive into the water without checking that it is deep enough, has no hidden objects, it is safe and you can swim.
 Always be careful when playing near water.

She could go for a thrilling ride in her hot air balloon. She flies **Up, Up and Away** to a friend's birthday party and they go for a fabulous balloon ride. After their amazing adventure they all have a picnic on the beach.

Happy Holidays

On her super boat Polly can sail the high seas, discover fabulous islands and enjoy the golden sandy beaches. Polly and her friends love looking at all the beautiful fish through the glass bottom in the boat. After an exciting adventure, what better than a barbecue with all her friends.

Holiday Fun

Polly loves **Holiday Fun**. The hotel is next to the beach. Polly has a lovely room with a balcony and a view of the sea. She loves swimming in the pool and her friends have great fun burying her in the sand. Every night Polly and her friends can dance away in the disco with its amazing sparkling 'lights'.

Boating World

Polly's Top Tip

Be careful not to get sunburnt when you're on holiday - make sure you wear plenty of sun cream and don't stay out in the sun for too long. Always wear a life jacket when on a boat.

Polly could go to **Dolphin Island** for a swimming holiday where she and her friends can swim with the dolphins and the octopus, or she can just relax on the beach.

Polly's Top Tip
When crossing roads always make sure that you cross in a safe place and look both ways for traffic.
